

Students on most [MU affiliated programs](#) will be billed for 13 MU credit hours each semester, or six MU credit hours for summer, according to the regular MU billing schedule. For non-Missouri residents, non-resident tuition will be assessed by MU. Please inform your study abroad and financial aid advisers of any scholarships you plan to use. The MU education fees are paid directly to MU. The resident educational fees will be forwarded by the International Center to the affiliated program sponsor on your behalf. Students pay any costs over and above the cost of MU educational fees directly to the affiliated program.

Students on affiliated programs will also pay the MU study abroad administrative fee of \$550 for semester year programs, or \$400 for summer programs. All students will also be billed for the MU information technology fee. Neither of these fees will be forwarded to the affiliated program.

You must enter the correct MU affiliated program fees (available on the appropriate program website) for the numbers below to correctly reflect your total estimated billed program costs. If you have questions, contact your MU study abroad adviser.
