How to use these services

- If you have a medical, travel or security problem, call the Emergency Response Center (ERC). If you are experiencing a medical emergency, you should immediately go to the nearest physician or hospital before calling the ERC.
- Printed on your member ID card are toll-free phone numbers for the ERC. Call the number for the country in which you are located. If your current location is not listed, call the ERC, reverse charges accepted at +1-410-453-6330.
- When you call, be prepared with as much of the following information as possible: Your name, your organization's name and ID number, a description of the situation, and a phone number to reach you.
- A multilingual Assistance Coordinator will render whatever assistance is necessary, and the Emergency Response Team will monitor your case until the situation is resolved.
